

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

I strongly oppose weakening protections that promote broader viewpoints and give unfair, unequal, and monopolistic advantages to a select few powerful conglomerates. Please do the right thing and stand up for the citizens of the country. Thank you.
